Dear Provider:

In earlier correspondence, it was announced that **First Health Services Corporation** was awarded the contract to provide Point-of-Purchase (POP) claims processing for the *Nebraska Medicaid Program*.

The Department of Health & Human Services for Nebraska has identified you as a submitter of paper claims and we would like to take this opportunity to share that First Health Services offers **Web Claims Submission** as a quick and easy alternative to the submission of paper claims.

The submission of Web Claims will be available through the <http://nebraska.fhsc.com> website in June, 2008. Paper claims will continue to be required for split claims for spend-down patients.

Additional information on the submission of Web Claims will be provided in the upcoming Provider Training Sessions at various locations throughout the State of Nebraska. Please see the attached document for additional information on the upcoming training sessions.

We look forward to meeting you at one of the Training Sessions and working with you in the future to ensure the success of the *Nebraska Medicaid Point of Purchase Program*.

Sincerely,

H. Glenn Sharp
Nebraska Account Manager
First Health Services Corporation
